

Bozeman CNC – Supplier Terms and Conditions

1. General Requirements

All suppliers to Bozeman CNC shall comply with the requirements specified on the Purchase Order (PO), including referenced drawings, specifications, standards, and these Supplier Terms and Conditions. Acceptance of a Bozeman CNC PO constitutes acceptance of these requirements. Suppliers shall notify Bozeman CNC immediately of any actual or potential delivery delays.

2. Certification and Traceability

All delivered items shall be accompanied by applicable certifications, inspection records, and test results. Part numbers, revisions, and lots shall remain segregated, clearly identified, and fully traceable at all times. Mixing of parts or revisions is prohibited.

3. Packaging and Handling

Products shall be packaged to prevent damage, contamination, or deterioration. All items must arrive free from scratches, dents, corrosion, or other damage.

4. Right of Access

Bozeman CNC, its customers, and regulatory authorities reserve the right of access to applicable facilities, processes, and records for verification of conformity.

5. Record Retention and Change Control

Suppliers shall retain all quality and production records for a minimum of ten (10) years unless otherwise specified. No changes to product, process, or sub-tier suppliers are permitted without prior written approval from Bozeman CNC.

6. Nonconforming Product

Nonconforming product shall be clearly identified and controlled. Any nonconformance discovered after shipment shall be reported immediately to Bozeman CNC. Counterfeit parts are strictly prohibited.

7. Sub-tier Supplier Control

All applicable requirements shall be flowed down to sub-tier suppliers. The supplier remains responsible for sub-tier compliance.

8. Export Control and ITAR Products and technical data may be subject to U.S. export control laws, including ITAR. Suppliers shall comply with all applicable export regulations. This obligation survives PO completion or termination.

9. FAR/DFARS Flow-down

When applicable, suppliers shall comply with all required FAR and DFARS clauses flowed down through the Purchase Order.

10. Governing Compliance

Suppliers shall comply with all applicable laws, regulations, and industry standards relevant to the supplied products or services.
